**RULES AND REGULATIONS -  
NEW JERSEY BRED NON RACING BREEDER AWARDS  
AND  
NEW JERSEY BRED ALL BREED HORSE SHOW**

(a) With the exception of non-pari-mutuel racing, in order to qualify for year-end non-racing breeder awards, a horse must enter at least three different New Jersey horse shows under three different judges. **Futurities must be held with a minimum of three judges.** Furthermore, there must be at least two horses entered, shown and judged in each class.

1 If a horse is entered in a New Jersey horse show with only one horse in its class, it will not receive any points towards breeder awards, but the show will count as one of its three required New Jersey horse shows.

2 If a designated breeding class at a pointed horse show does not fill, the Grand or Reserve Champion class may be counted for New Jersey Bred points at the discretion of the breed organization, if the organization has made this decision at the beginning of the year.

(b) A New Jersey Bred horse is:

1 Any foal dropped in the State of New Jersey, except for the foals of transient mares. A mare will be considered to be a transient mare if she does not reside in the State of New Jersey for at least 120 consecutive days including the day of foaling. The owner of a mare may be asked to submit proof of such residence to the individual breed groups.

2 Any foal resulting from an embryo transfer from a mare who resides 120 cumulative days in the State of New Jersey providing blood typing of the mare, stallion and foal is carried out in New Jersey, and embryo transfer is agreeable to the national registry of the breed.

3 The get of any stallion standing only in New Jersey during the breeding season of the year in which the foal was conceived. Stallions standing in New Jersey must breed only in New Jersey for that year's breeding season; or

4 Foals resulting from the transport of semen from a stallion standing the full season in the State of New Jersey, providing blood typing of the stallion, mare, and foal is carried out to authenticate parentage, and semen transport is agreeable to the national registry of the breed.

(c) In order to qualify for New Jersey non-racing breeder awards, at least one owner shall be a member in good standing of the New Jersey Bred association represented on the New Jersey Equine Advisory Board, which represents the particular breed group in which the breeder is competing. In the case of a leased horse, the lessee shall hold such membership. Nominations for Jersey Bred should not close before one month prior to the New Jersey All Breed Horse Show.

(d) Individual breed groups are responsible for the certification of eligible horses and the tabulation of breeder awards points and must submit them to the New Jersey Department of Agriculture no later than November 30 of the year in which they are earned.

(e) Individual breed groups may require that additional conditions be met to qualify for non-racing breeder awards. Such conditions must not be in opposition to the intent of this section and must be approved and recorded by the New Jersey Equine Advisory Board and New Jersey State Board of Agriculture each year prior to the show and breeding season.

(f) Each breed's share of the year-end money is determined by:

1 The number of animals shown at the New Jersey All Breed Horse Show.

2 The number of horses entered in specific breed futurities. For a futurity run by a New Jersey breed group at a separate location, each New Jersey Bred horse's owner must sign an owner's eligibility form which, along with a photocopy of the entry blank, must be sent by the breed group to the New Jersey Department of Agriculture within two weeks of the show.

3 The number of animals who race at the Trotting Bred Pony Association races. All owners must sign an eligibility certification form which, along with a photocopy of the entry blank, must be sent by the Trotting Bred Association to the Department of Agriculture within two weeks of the race.

(g) For the purpose of obtaining a year-end total of competitors for each breed group, no animal is to be counted more than once by one breed group. Horses who are registered with more than one breed group may be entered in any division for which they are qualified

(h) Individual breed groups are responsible for supervising and certifying to the adherence to the provisions of this section.

(l) The New Jersey Department of Agriculture will accept the decision of the individual breed groups regarding which horses are qualified to receive non-racing breeder awards as well as the tabulation of breeder award points. Any disagreement with the decisions of the breed groups must be presented to the officer and/or directors of the particular group in question. The New Jersey Department of Agriculture will abide by the decision of the breed group officers and/or directors unless fraud or misfeasance is shown.

#### 2:34-2 2 Conduct of the New Jersey Bred All Breed Horse Show

(a) The New Jersey Bred All Breed Horse Show, or any other show conducted by the New Jersey Department of Agriculture, shall be governed as follows:

1 It is the policy of the New Jersey Department of Agriculture to accept the decision of the individual breed groups regarding which horses are qualified to enter and show at the New Jersey Bred All Breed Horse Show, and to receive non-racing breeder awards, as well as the tabulation of breeder award points. Such decision and tabulations must not be in opposition to the intent of this chapter. Any disagreements with the decision of the group, must be presented to the officers and/or directors of the particular breed group.

2 Any questions arising which are not covered in the following rules shall be referred to the Equine Advisory Board Breeder Incentive Committee for final decision.

3 For any entry to be accepted, the horse or pony must be registered with its New Jersey breed association and be a certified New Jersey Bred. In addition, the owner or one lessee shall be a member in good standing with his or her New Jersey breed association represented on the New Jersey Equine Advisory board. Every horse shall be entered under its registered name and the name of its rightful owner or lessee.

4 No entry will be accepted without a copy of a negative Coggins test of the date accepted by the New Jersey Department of Agriculture. Foals six months and under are allowed to use the Coggins test of their dam. Note: Do Not Send Originals.

5 Copies of the Coggins test report and the horse's registration papers shall be attached to all entry forms along with the owners Eligibility Declaration Form.

6 Foals dropped later than two months prior to show date will not be accepted as entries. No horse under three years of age may compete in under saddle classes, except when approved by their National Association rules and regulations.

7 No entries or stall reservations will be accepted unless payment by check, credit card, or money order is received by the show secretary.

8 All entries must be postmarked (meter marks not accepted) no later than the closing date of entries in order for entry to appear in the program. A check, credit card, or money order (no cash) for the entry and stall fees must accompany the entry blank. No horse will be allowed to compete until all fees are paid.

(i) Post entries will be accepted at two times the regular fee. Any entry received postmarked after closing date will be considered a post entry and will be accepted at two times the regular entry fee provided it meets all other New Jersey Bred requirements. Entry fees must be paid by money order, credit card, or check. No cash will be accepted. Post entries not completely in order when received will not be accepted.

(ii) Phone entries are not accepted.

9 No refunds once a horse has performed in a class, or if entered and not exhibited, after the start of the show.

10 All entry and stall fees will be refunded upon request before the closing date of entries, minus a \$10.00 office charge per horse. After this date, entry fees only will be refunded upon receipt of a veterinarian's certificate; however, there will be a charge of \$10 per horse entered. The actual refund will not be made until after completion of the show. There is a penalty of \$30 if a check is refused.

11 Exhibitor numbers will be provided for each entry in this show at the Secretary's booth. It is the exhibitor's responsibility to make certain the proper horse is entered in the proper class with the proper number. Horses entered in the wrong class will be disqualified.

12 Each breed will be judged according to the rules and regulations of its national breed association. **All classes must conform to the specifications of the National Association list of classes.** Those breeds which do not have a national affiliation will be judged by their New Jersey State organization rules.

**13 No horse shall be shown in any class at this show if it has been administered, in any manner, any foreign substance. A foreign substance is any medication. There will be spot testing by urinalysis and/or blood testing. Any entry found positive will be disqualified and will forfeit all awards for the New Jersey Bred All Breed Horse Show and New Jersey Bred year-end awards in the current year. Refusal to allow testing will automatically subject the horse to disqualification.**

14 Classes designated as combined may be split if entries warrant; full prize money will be paid in both categories, providing the breed organization has not exceeded the designated prize money; otherwise prize money will be split.

15 Two horses are required to fill a class at the All Breed Horse Show. If Classes with A and B sections do not have two entries each, A and B sections will be combined. Other classes will be combined only as specified in the prize list. Two horses are required to be shown and judged in order to receive both prize money and points. Prize money will be paid as follows:

Four horses or more in class	50%	25%	15%	10%
Three horses in class	50%	25%	15%	
Two horses in class		50%	25%	
One horse in class		50%	-	No Points

16 If only one horse reports for judging, show money will be paid but no points will be given. However, that horse shown and judged will receive credit for the All Breed Horse Show one of the horse's required three New Jersey shows.

17 In all classes, all riders and handlers appearing in the ring shall be neatly and properly attired according to the requirements of their national breed organization. Protective headgear is required in all jumping classes.

18 Any act of discourtesy or disobedience to the judges or officials by owner, trainer, rider, or groom shall disqualify the horse, and the owner shall forfeit his or her entry and other fees.

19 The Horse Park of New Jersey at Stone Tavern, Inc., The Department of Agriculture, the New Jersey Bred All Breed Horse Show committee and the New Jersey Equine Advisory Board will not be responsible for injury to any person, horse or property incurred on the grounds.

20 The veterinarian and/or steward shall be responsible for measuring height of entries and weight of shoes.

21 The veterinarian certificate excusing a horse from competition must be dated on or before the start of its competition and be postmarked within five days of the competition. This must be supplied on the veterinarian's letterhead and have the signature of the veterinarian.

22 Prize money will be mailed at a later date, no money can be paid without the winner's Social Security number, please be certain that it is on your entry blank.

23 Any appeal from the provisions of this section shall be made within 20 days of the horse show date, or within 20 days of notification to owners of a decision.

(i) All appeals to the New Jersey Department of Agriculture or breed groups are final if decided in accordance with this section or the breed group rules. Should there be a conflict between rules, this section shall be deemed superior and superseding of all other rules.

69 \$200 NJ Bred Paint / SPB - Junior Hunter Under Saddle - Junior Horse - Ages - 2 through 5 years. Horses to be shown at a walk, trot, and canter both ways of the ring. Horses should back easily and stand quietly. Horses may change gaits at a flatfooted walk or the trot at the judge's discretion. Light contact with the horse's mouth is recommended and horses may be asked to back. At the option of the judge, all or just the top eight horses may be required to hand gallop at one time. These horses may be asked to halt and stand quietly on a free rein (loosened rein).

73 \$200 NJ Bred Paint / SPB- Senior Hunter Under Saddle - 6 Years and Older. Same specifications as Class 69

83 \$200 NJ Bred Paint / SPB- Junior Western Pleasure - Ages 2 through 5 Years. Horses are to be shown at a walk, jog, and lope on a reasonably loose rein without undue restraint. Horses must work both ways of the ring at all three gaits. The judge shall have the right to ask for additional work from any horse. Judge may, at his discretion, back only the finalists. Horses may be required to reverse at a walk or a jog and may be required to go from any gait to any other gait at the discretion of the judge. Horses are to be reversed to the inside. No contestant will be asked to reverse at a lope. This class will be judged on performance only.

87 \$200 NJ Bred Paint / SPB- Senior Western Pleasure - Six Years and Older. Same specifications as Class 83.

93 \$200 NJ Bred Paint / SPB - Junior Trail Horse -Western - Ages 2 through 5 Years  
This class will be judged 100% on manner and performance of horse over obstacles, response to the rider, intelligence, and manner of travel at the walk, trot, and lope shall be performed as the horse moves from one obstacle to the next. Judge may ask for additional work from any competitor. The course will be posted one hour before the class. Each contestant will be allowed a limited amount of time which will be stated on the course when posted. May be shown outside the arena
